### JENS BRUENSLOW

**Jens Bruenslow** (b. 1971, Greiswald) is an Associate of ARCHITECTURE PROJECT which was set up in Valletta, Malta in 1991 by Konrad Buhagiar, David Felice, David Drago and Alberto Miceli Farrugia and has offices in Malta, Croatia, and London.

He graduated in 2001 from the Bauhaus University Weimar, Germany and has worked with ARCHITECTURE PROJECT since 2001.

His work has included all stages of architectural practice relating to the erection of new structures as well as the restoration of heritage buildings in several European countries. He tutors and participates in the organisation and creation of lectures, exhibitions and publications.
